North Atlanta Plastic Surgery

If you don't know the name Dr. Amy Alderman, you should. Co-founder of North Atlanta Plastic Surgery and a favorite among the city's

elite, Alderman specializes in cosmetic breast and body contouring surgery alongside business partner Dr. Aida Joiner. The center's female-friendly environment boasts a warm, relaxed atmosphere that eliminates any awkwardness surrounding elective cosmetic surgery. Bonus for those OTP: a new Alpharetta office is due to open this month. Multiple locations, 470.381.3610, dramyalderman.com

Opal Aesthetics

Fear not, Dr. Kristina Price won't leave you looking like you belong on *Botched*. Specializing in the periocular region—the eyelids, eyebrows and midface—she and her team at Opal Aesthetics integrate plastic surgery with laser aesthetic procedures to create subtle, natural results and ensure you look and feel your best (not to mention a couple years younger). No need to reminisce about the glory days; thanks to Opal Aesthetics, you're still living them. 1100 Johnson Ferry Road NE, Ste. 105, 404.953.4023, opalatlanta.com

OVME You know OVME for its chemical peels, injectables and fillers, but the medspa also has 10 signature B12 shot combinations to jump-start your week, ranging from the Mood Booster to the Happy Mommy (B12 and amino acids for metabolism support and decreased stress). Couple that with Hydration Therapy, and you'll be feeling fine in no time. 3167 Peachtree Road NE, Ste. G, 770.504.6000, ovme.com

Premier Image Cosmetic + Laser Surgery

If it's experience and accolades you're after, Premier Image Cosmetic + Laser Surgery is the place for you. High demand for services with triple board-certified Dr. Louis DeJoseph coupled with the success of his needleless injections has earned the practice the prestigious Diamond status by Allergan. And for those attempting to fly under the radar, the private VIP entrance is guaranteed to keep your visit hush-hush. 6085 Barfield Road NE, Ste. 100, 770.457.6303, premierimage.com

Santé MD Wellness Center

You can trust the team at Santé MD Wellness Center—which will have four locations across the country—to guide you toward achieving overall health. Sculpted Contours

Freeze away that hard-to-lose fat (from lower waist, arms, thighs, chin and more) sans surgery with CoolSculpting at the No. 1 state provider; Sculpted Contours Luxury Medical Aesthetics, owned by CoolSculpting master-level provider Kathy King. Sit back and enjoy being pampered on 400-thread-count sheets for a Netflix-watching session over a fabulous spa lunch in a luxury room—all while troublesome bulge goes buh-bye just in time for shorts, sleeveless tops and swimsuits. 550 Pharr Road NE, Ste. 630, 404.872.8578, sculptedcontours.com

Tailor Made Looks Institute of Plastic Surgery + Medspa

Like the name suggests, all services provided by this beloved institute are completely individualized to fit your specific needs and preferences, culminating in healthier bodies and elevated self-image. Added bonus? Plastic surgeon Dr. ChiChi Berhane volunteers with organizations like Doctors Without Borders, MedShare and Operation Smile, so you can rest easy knowing that your doctor isn't only good at what he does, he's just plain good. 55 Peachtree Park Drive NE, 404.350.9355, tailormadelooks.com

WIFH

With warmer temps ahead, forgo the hassle of shaving, and laser off that unwanted hair instead. With WIFH, you can say adios to stubborn stubble and rock that designer sundress like the world is your runway. And for those looking to shed a few pounds in time for bikini season, don't fret! Accredited doctors are on hand with SmartLipo to help you melt away that hard-to-lose fat. 6115 Peachtree Dunwoody Road, Ste. 200, 404.620.3062, wifh.com
